Beginning Pointe

- Students in Level 4 and Intermediate will go through pointe assessments – a series of exercises that provide feedback on pointe preparedness. The decision to start pointe work will be made on an individual basis with the advice of the instructors and feedback from the assessment, even if a student has been on pointe at a previous studio.
- Students purchase pointe shoes only AFTER being permitted by their instructors. Instructors will check the fit of the shoes to ensure the students purchase proper shoes for their feet. Students should sew ribbons and elastics on their shoes AFTER they receive approval from their instructors.
- The Academy faculty discourages students from practicing pointe work outside the Academy studios unless otherwise approved. **Pointe work is difficult and can be dangerous if practiced unsupervised and on improper floors.**

Variation and Repertory Class

- Female-identifying students in Level 7-Level 10 should order their own practice tutu for variation and repertory classes. Please use the link [HERE](#) to order and have delivered to the student's address. Please note that delivery takes up to 6-8 weeks.
