Our History

In 1981, visions of sugar plums sparked Houston Ballet supporter Preston Frazier's idea for a holiday market to benefit Houston Ballet, its Academy, and scholarship programs.

What started as a charming church bazaar has since blossomed into a dazzling, four-day shopping tradition at NRG Center.

Our Purpose

Proceeds from each admission and special event ticket that you purchase, plus 11% of all the merchandise you buy, goes back to Houston Ballet, its Academy and scholarship programs.

Since 1981, Nutcracker Market and Nutcracker Market SPRING has raised more than \$97.6 million for Houston Ballet.

These funds:

- Ensure Houston Ballet remains strong for our community.
- Provide scholarships for aspiring young dancers.
- Offer local students access to high-quality arts education programming, often provided free of charge.
